How to redeem Parentbond Childcare Vouchers

- Parentbond Childcare Vouchers act in lieu of payment for fees. They carry details of the parent and their employer, with a space for your details and your authorised signature.
- When you are ready to return your Parentbond vouchers, make sure they are signed by the authorised signatory and listed below on a copy of this form. Continue on a seperate form if necessary. Parentbond can supply you with additional copies of this form, or you can download a pdf from the website: **www.parentbond.com**
- Attach the vouchers to this form and return to Parentbond at the address on the reverse of the voucher. Parentbond vouchers are perforated to allow you to retain the stubs for your records.
- Parentbond will transfer funds directly to your nominated bank account via BACS upon receipt of your vouchers.
- If you have any questions with regard to Parentbond Childcare Vouchers, please call us...
